**MACBEE SPECIAL UTILITY DISTRICT
LAKE SYSTEM PWS # 2340012**

IMPROVED CONDITIONS
RESCIND STAGE I WATER RAIONING NOTICE EFFECTIVE
IMMEDIATELY

MacBee SUD is RESCINDING the STAGE I water use restrictions because the water system is stable and maintains adequate water levels.

Please continue to monitor your properties and customer service lines for leaks, open faucets, etc. Also, please continue to be mindful of conserving your water resources, which will help maintain good conditions.

MacBee SUD appreciates customers' compliance with Stage I Water Rationing procedures. Your efforts greatly assisted MacBee SUD in restoring and keeping water service available.

We greatly appreciate your cooperation and understanding during this time.

**Sincerely,
Directors and Management
MacBee Special Utility District**
